

2018 3rd International Conference on Building Materials and Construction (ICBMC 2018)

Nha Trang, Vietnam

February 23-25, 2018

Conference Introduction

2018 3rd International Conference on Building Materials and Construction (ICBMC 2018: <http://www.icbmc.org/>) will be held in Nha Trang, Vietnam during February 23-25, 2018.

It provides an opportunity for the delegates to meet, interact and exchange new ideas in the various areas of building materials and construction. ICBMC 2018 aims in proclaim knowledge and share new ideas amongst the professionals, industrialists and students from research areas of building materials and construction to share their

research experiences and indulge in interactive discussions and special sessions at the event.

Good News

1. Publication

Option One: IOP Conference Series: Materials Science and Engineering (ISSN: 1757-899X), which is indexed by EI Compendex, Scopus, Thomson Reuters (WoS), Inspec, et al.

Option Two: The International Journal of Structural and Civil Engineering Research (IJSCER, ISSN: 2319-6009).

2. Famous professors as Speakers

Prof. Low Sui Pheng, National University of Singapore, Singapore;

Prof. Zongjin Li, The Hong Kong University of Science and Technology, Hong Kong;

Prof. Jin-Keun Kim, Korea Advanced Institute of Science and Technology, South Korea.

3. Academic Visit

There will be a one-day academic visit in Nha Trang on February 25, 2018.

Important Dates

Important Dates	
Paper Submission	before October 20, 2017
Notification of Acceptance	on November 10, 2017
Registration	before November 30, 2017
Conference Dates	February 23-24, 2018
Academic Visit	February 25, 2018

Call for Papers

Topics of interest for submission include, but are not limited to: Bridge Engineering; Building Structure and Bridge Engineering; Building Technology; Cartography and Geographic Information System; Coastal Engineering; Computational Mechanics; Computer Simulation and CAD/CAE; Concrete Structures; Construction and Control; Detection and Transformation; Disaster Prevention and Mitigation; Engineering Management; Environment-Friendly Construction and Development; Geological Engineering; Geotechnical Engineering; Harbor Engineering; Heating, Gas Supply, Ventilation and Air Conditioning Works; Hydraulic Engineering; Material Quality and Control; Metallic Structures; Monitoring and Control Of Structures; Operation and Maintenance; Project Management; Reliability and Durability of Structures; Road, Bridge and Railway Engineering; Safety and Monitoring; Sanitary and Ground Water Engineering; Architectural Design and Theories, Advanced Construction Materials, Aesthetics and Landscape, Architectural Design and Its Theory, Architectural Environment & Equipment Engineering, Architecture and Building Materials, Art Design and Landscape Architecture, Building Energy Saving Technology, Building Technology Science, Construction and Renewable Energy Sources, Ecological Architecture. (For more information, please visit <http://www.icbmc.org/cfp.html>)

Submission Methods

1. Easy Chair System:
<http://www.easychair.org/conferences/?conf=icbmc2018>
2. Conference Email Address: icbmc@cbees.net
