

CALL FOR PAPER

2024 9th International Conference on Building Materials and Construction (ICBMC 2024)

Tokyo, Japan

February 26-29, 2024

Topics:

Architecture and Urban Planning:

Architectural Design and Theories

Advanced Construction Materials

Materials Science and Engineering:

Metallic Alloys and Tool Materials

Fracture Mechanics and Mechanical Properties

Materials Properties, Measuring Methods & Applications:

Ductility, Crack Resistance and Fatigue

Fracture Mechanics and Mechanical Properties

Materials Manufacturing and Processing:

Casting and Powder Metallurgy

Welding, Sintering and Heat Treatment
